MEMORANDUM FOR THE DIRECTOR OF MILITARY INTELLIGENCE:
War Department General Staff
The Pentagon
Washington 25, D. C.

Subject: Attendance at War Department's Strategic Intelligence Course.

1. The Director of Central Intelligence feels that it would be mutually beneficial for certain selected representatives of the Central Intelligence Group to attend your Strategic Intelligence Course. The plan would be to have certain individuals attend the full course and others attend courses on subjects with which their duties here are specially concerned. This matter was discussed informally by [REDACTED] with [REDACTED] recently, and it is understood that there will be no objection to this proposal. Accordingly, your approval is requested for authority for [REDACTED] of the Office of Operations to attend the next course, starting, it is understood, on the 10th of February. Mr. [REDACTED] is a Captain of Military Intelligence, Reserve, now on duty in the Office of Operations, Central Intelligence Group.

2. Additionally, information is requested as to whether it would be satisfactory for representatives of the Central Intelligence Group to attend certain specified parts of the course as indicated above. In this connection, it would be appreciated if a schedule of the course could be furnished directly to the Central Intelligence Group.

FOR THE DIRECTOR OF CENTRAL INTELLIGENCE:
25X1A9a

[REDACTED]
Colonel, FA
Assistant Executive Director
